THDC-IHET RESEARCH AND DEVELOPMENT CENTER

Jan 27, 2016

CALL FOR PROPOSAL

THDC-IHET RESEARCH AND DEVELOPMENT CENTER is pleased to invite research proposals from faculty and research scholars with the sole aim to promote R&D activities in new and emerging areas under:

1. Solar Energy
2. Conversion of Bio-waste to Energy

Eligibility:

1. Principal Investigator should be from THDC-IHET only.
2. One PI will submit only one research proposal.
3. Co- Principal Investigator may be taken from any other Institutes affiliated to UTU.
4. The applicant should hold regular PhD degree in Science or M. Tech or PhD degree in any areas of Engineering.
5. The scheme encourages young researchers at the start of their career.

Duration: The duration for each project will be 1.5 years.

Funding: Funding will be limited to **Rs. 50,000/-** to be sanctioned by the Institute only after the acceptance and approval by the RESEARCH AND DEVELOPMENT Committee of THDC-IHET. The aim is to initiate the research, and after getting encouraging results the project may be submitted for large funding from other Govt. agencies, such as UCOST, AICTE, UGC, DST, DRDO etc.

Application: Applications are invited in the prescribed format which can be downloaded from www.thdcihet.com or word copy of proposal can be obtained from

The Coordinator
