

THDC INSTITUTE OF HYDROPOWER ENGINEERING AND TECHNOLOGY

(Constituent Institute of Uttarakhand Technical University, Dehradun)
Bhagirthipuram, Tehri, Uttarakhand, India

Website: www.thdcihet.com

12/09/2016

NOTICE

We are pleased to inform you that an inter college project event, **Research Engineering Designing and Methodology (REDM 2016)** is going to be organised by the institute. The event will demand students to design an indigenous and innovative project of their own, which will then be later judged on various factors such as applicability, demonstration, presentation skill (of the team) and future scope, best projects will be reciprocated with worthy laurels. The event will not only give a platform for students to showcase their technical skill but will also give them an exclusive chance to explore the wider spectrum of technological practicality.

Tentative Schedule of the event

Sno.	Event	Date
1	Abstract Submission	5 /10/2016
2	Notification of selected Abstract	10/10/2016
3	Initial screening of selected project	21/10/16 and 22/10/16
4	Final presentation and award distribution	23/10/16

Note:

1. Event will be open for all the branches and streams.
2. Abstract will be submitted by email to redmthdcihet@gmail.com
3. Abstract size maximum 400 words.
4. A Team will consist of maximum 4 members.
5. Registration fee will be Rs 400 each Team.
6. Registration fees will be submitted at the time of initial screening.
7. Maximum 7 minutes will be given to each group for PPT presentation and 8 minutes for project demonstration.
8. All the participants will be given participation certificates and winners (Top 3 Teams) will be awarded with certificates, trophy, medals and cash prizes.
